Dear friends and colleagues,

We are looking forward to seeing all of you in **Moscow**, at **April from 8 to 11**, on the **International Convention on World Homeopathy Day in Russia**.

You would be pleased to know: this event is jointly organizing by Liga Medicorum Homeopathica Internationalis (LMHI) and two biggest organizations – Russian Homeopathic Association (RHA) and Russian Homeopathic Society (RHS) with collaboration of National Council for Homeopathy and Association of professional alternative medicine. International Convention on World Homeopathy Day in Russia is supported by Committee of health of Governmental Parliament Duma of Russian Federation, Council of the Federation of the Federal Assembly of the Russian Federation and will be under patronage of Ministry of health.

As you would be aware, every year, 10th April is celebrated worldwide by LMHI as World Homeopathy Day to commemorate the birth anniversary of founder of Homeopathy **Dr. Christian Friedrich Samuel Hahnemann**. Russian homeopaths would be glad to see you in Moscow to celebrate birthday of Hahneman, to share experience in homeopathy, to show you what the scientific level of investigations in Homeopathy we have in Russia, to show you Russian hospitality and friendly openness friends of homeopathy all over the world. We would like to invite you for special event dedicated to **Semeon Korsakov**, who worked closely with Hahnemann and whose name is called special Korsakoff's scale for dinamization of homeopathic delutions.

Main themes of this Congress will be devoted to the possibilities of specialization in Homoeopathy, to researches in Homoeopathy and for problems of legalizations in it.

As time is very close to data of event, please send your presentation on main topics. We also will help with visa support for all who request. We are waiting for you in April in Moscow.

With best regards from Russia on behalf of Organizing Committee
